

# Let Carolina Wildlife Care send your holiday cards this year!

Carolina Wildlife Care's holiday cards have a beautiful new look this season. Each full color photo is now professionally printed onto the front of the card further enhancing its quality and beauty. The 2009 holiday card features an adorable young river otter that arrived at Carolina Wildlife Care after being found wandering along a roadside.

The inside of the card reads

**Wishing you a beautiful holiday season.**

For each \$5.00 donation, Carolina Wildlife Care will send a personalized card to the animal lovers in your life notifying them of your gift in their honor. CWC makes re-ordering cards each year easy by maintaining your card list from the season before. Proceeds from all cards will help us in providing life-saving care to injured wildlife in the coming year.
