

WILDLIFE EDUCATION INTERNSHIP APPLICATION

Thank you for your interest in an education internship at Carolina Wildlife Care!

All internship positions at CWC are unpaid. Applicants must provide their own transportation and housing. Currently CWC charges a one-time nominal fee of \$20.00 for a t-shirt and a permanent nametag to be worn while representing Carolina Wildlife Care.

Once your application is received and reviewed, you will be contacted for a phone or personal interview. During this internship you will have a great look at all the different aspects of Carolina Wildlife Care. You will experience first hand what it is like to work with a variety of wildlife as well as learn important aspects of environmental education. This internship will give you invaluable experience working with animals in an educational setting.
